REC ROOM

With Coordinated Cabinetry and Millwork

Breathtaking beauty and distinctive design has never been easier with our complete selection of exceptional custom cabinetry with coordinating millwork and hardware — all available from one convenient source. We also offer storage systems to add organization to your pantry, closets, home office and garage. With complete solutions for every room of your home, Bayer Interior Woods brings you the choice and simplicity you need to create a beautiful home interior that reflects your unique style.

PANTRY

Custom-crafted in an array of colors and wood grains.

CLOSETS

Extensive collection of components to organize and store your essentials.

HOME OFFICE

Form meets function with our diverse design options. Wall bed creates a spare bedroom in seconds.

GARAGE

Efficient workspaces with superior strength and versatility.

BATHROOMS

Custom cabinetry to fit your personal design and lifestyle.

COMPLETELY COORDINATED design

Transform your home with our coordinating collections to fit your personal design and lifestyle. These collections suit diverse tastes, from traditional to contemporary.
