A FAMILY TRADITION SINCE 1983

Bayer Interior Woods has been providing exceptional interior solutions for the cabinetry and home building industries since 1983. Located in the heart of rural central Minnesota, our 100,000 sq. ft. facility houses a community of craftspeople who manufacture unique, custom wood products for the discerning homeowner.

These fine products are brought to the marketplace through our elite partner dealers. By utilizing our exclusive multi-tier partnership program which includes customized training, design services, custom product offerings, large scale project assistance, marketing and sales support, our partner dealers are ensured continued success.

“Our continued success comes from our unique ability to develop working partnerships with the artisans and craftsmen of the cabinet industry. By providing our partners with non-traditional business assistance, unparalleled product offerings and a support team of talented experts, we are an industry innovator and have set the standard for the manufacturer-to-dealer relationship. We know you are in business for yourself but, you do not have to do it by yourself.”
